

A  Sempra Energy utility®

A large, stylized red apple with a green leaf and a red stem. The apple is the central focus of the top right section of the advertisement.

**Earn \$\$\$
for the
Academy!**

San Diego Gas & Electric (SDG&E) is partnering with the San Diego Chinese Academy to provide customers with solutions that save money and help the environment. For every SDG&E customer the San Diego Chinese Academy helps enroll in one of three SDG&E services, they will receive a donation of \$20, up to a total of \$2,500.

We are asking parents to sign up for SDG&E's My Account, a one stop shop for your energy information. If you are already on My Account, you can still earn money for the San Diego Chinese Academy by signing up for the Weekly Energy Use Email or by going paperless on your SDG&E bill.

Please also complete the short survey below to make sure the San Diego Chinese Academy gets a donation.
