The highly acclaimed and cultural summer camp is back. The Online Chinese Culture Summer Camp 2021, taught jointly by Jojo Ni and Marine Liu, the teachers of the San Diego Chinese Academy of Culture and Credit Class, were deeply loved by parents and students last year. This year, the scope of camp has been expanded from Taiwanese culture to Chinese culture, introducing food culture, tea culture, and creative culture in two stages. In addition to explaining profound theories in simple language, fun and interesting hand-made crafts are also added. Moreover, Teacher Shinyun Tseng joins the other two teachers to set up a summer camp for Chinese picture book reading and creation, allowing children to follow the footsteps of well known picture books from an aesthetic point of view and let their imaginations fly. Please see the event flyer for details. Interested parents should not miss it.*Culture summer camp is co-sponsored by the Overseas Community Affairs Council (OCAC), Republic of China (Taiwan) Culture Center of Taipei Economic and Cultural Office in Los Angeles (Santa Ana), U.S.A. and the San Diego Chinese Academy.
