The highly acclaimed Virtual Arts and Culture Summer Camp is here! This summer camp is taught jointly by our staff members Marian Liu and JoJo Ni. This year, we have invited another one of our teachers-Shihyun Tseng to co-host the multi-media culture camp. This camp was a huge success last summer. Loved by campers and endorsed by parents! Arts and Culture Summer Camp will include civilization, folklore, and lifestyle from China and Taiwan. Campers will explore the art of food, tea, or multi-media cultural experience. At the end of each week, campers will be creating an age-appropriate item related to the theme of the week. It is a fun-filled curriculum with lots of hands-on experience! No previous language knowledge necessary. Do not miss the opportunity to broaden your horizon and learn about Chinese cultures!

Culture summer camp is co-sponsored by the Overseas Community Affairs Council (OCAC), Republic of China (Taiwan) Culture Center of Taipei Economic and Cultural Office in Los Angeles (Santa Ana), U.S.A. and the San Diego Chinese Academy.
