ONLINE REGISTRATION FAQ

1. I'm a returning parent and I forgot my username and password. Can I use the new family page to create a new account for registration?
Do **NOT** create a new account if you are a returning parent so we can keep track of your payment history, scrip purchase, and student records. Use the links on the [Sign In](#) page to look up your username or to reset password.
2. Our younger children are ready to enroll as new students but we are a returning family. How do we register them online?
Please [sign in](#) to your family account. Use the "Add Child" button to add your new child one at a time. Then register them together. Do not use the new family link to generate a new account. Otherwise, the system will end up charging you service fee twice or will be unable to deduct the sibling discount for you if this new student is your 3rd child enrolled at SDCA.
3. I already printed out my registration form but I need to make some changes. How do I do that?
Please sign back in to the [portal](#) and redo the registration process. Then print out the new registration form. Submit the new registration form with your payment.
4. Can I drop off the registration form and payment to the La Jolla Country Day school office in the summer? What is the SDCA mailing address?
SDCA will be closed for summer after the last day of school 5/17. **Do not drop off your payment to the La Jolla Country Day school office in the summer.** Mail the printed out registration form and payment to us. Make check payable to SDCA and write student's name(s) and parent's user name on the memo line. Our mailing address is:

5. Do you accept credit card or cash?
SDCA does not accept credit cards. We accept cash or check. If you wish to pay cash, you'll need to stop by the office during pre-registration period (4/19, 4/26, and 5/3) or the first day of school in the fall to see the Registration Team.
6. Does this 6/30 deadline for waiving \$50 early registration discount mean the time we hit the finish button online (before 11:59:59pm on 6/30/2020)? Or does it mean the payment has to be received by 6/30?
Since SDCA office is closed on 6/30, in order to save the early registration discount, we have to receive your payment by postmark on 6/30. If we receive your payment after 6/30 even though your registration form did not charge the registration fee, you still need to repay the fee.
7. Do I have to sign up for volunteering at registration?
Please select "TBD" if you are not sure what to do. PTA will contact you shortly. Every family is charged the \$80 service fee at registration. This deposit is fully refundable once you complete your volunteer duty. Review the [SDCA Volunteer Job Description](#) or contact SDCA PTA @ sdcapta@gmail.com if you have further questions about this issue.
8. Do I have to purchase Scrip (gift cards) at registration?
When you make the purchase (\$700 for the 1st child, \$600 for the 2nd, and \$500 per child for the rest enrolled children in your family) while you register online, your scrip deposit can be waived. All prepaid scrip at registration can be pick up when Scrip Sales at school office and more Scrip Sale dates are TBA in fall. Otherwise, the scrip deposit will be charged at registration. The deposit is fully refundable in Scrip once you purchase the required scrip amount.
9. How do I know my online registration is completed?
Registration process will not be considered complete until your payment is received. Your kid(s) name(s) won't be included in the final 2020-2021 class rosters until the registration is completed. Once we enter your payment in the system, you will receive an email notification. One week before the new school year begins you can sign in to Portal to find out your kids' new class placement, classroom number, and teacher's name.
10. How do I get the registration payment receipt?
After we enter your payment in the system, you will receive an email confirmation. Then you can sign back in the [portal](#). On the left side bar, click on the "**Transaction History** 付款紀錄" link. Select your registration date button. Then click on the "**Print Registration Receipt**" button. It will print out the registration receipt. Also it has our school tax id on the receipt. Please consult with your tax advisor regarding tax deductibility of tuition paid.
