

San Diego Chinese Academy Weekly Announcement

March 31, 2019 Week 26 Class: Teacher:

1. Every year around second term, San Diego Chinese Academy would solicit parent's opinion and recommendation for the school through Parent Survey. This year we will conduct this survey earlier in the school year, so we can give positive feedback to our hard working teachers. It is important for us to acknowledge and appreciate the efforts our teachers have been contributing to the school and for the children. We look forward to hear from you of any compliment or constructive criticism. We will take your opinion seriously and make any necessary adjustment to the school because we strive for improvements and success of your children.
